To Our Friends and Customers:

Again we are not sending you our regular catalog, but merely a condensed price list of most of the things we have to offer. If you have not a copy of our descriptive catalog just drop us a line and we will be glad to send you one.

Our customers and those who have visited us know that our products are the best, and we earnestly invite the personal inspection of our nurseries by customers and those interested. We will gladly show you through our nurseries and storage plant.

We have this year the most complete line of stock we ever grew, but demand is very brisk, in fact we are receiving orders from all over the country, from people who want dependable stock, and we are confident that many varieties will be wholly taken by early buyers. Therefore we urge this year more than ever that you get your orders in early.

We thank you all for your patronage and kind words of encouragement, and we trust that we may merit a continuance of same.

Yours very truly,

DYBVIG NURSERY.

OUR TERMS

We have enough confidence in our stock to allow you to examine it before paying for it and on all orders amounting to \$10.00 or more you need not send money but pay on delivery, all sums less than \$10.00 are cash before shipment unless otherwise agreed.

We prepay freight or express charges on all orders amounting to \$5.00 or more and if it is from some town in which we make a regular delivery we prepay all orders either large or small.

ORDER EARLY

It is important that all orders be placed early. This gives you the opportunity of selecting many special varieties which are wholly taken by early buyers.

25% DISCOUNT

In addition to the special discount mentioned for early orders, we will allow you 25% discount from printed prices on all orders sent in before May 1st. And remember that our prices are prepaid, you have no freight or express charges to pay, and we take all chances of delivery and guarantee the safe arrival of all stock. When you take the above into consideration we are confident that our prices are as low as any dependable grower.

SPECIAL DISCOUNT

If cash is sent with order and it is received before April 1st we will allow you to add 10 per cent in stock for every dollar paid, thus if your order amounts to \$20.00 and you send \$20.00 we will allow you to select \$22.00 worth of stock and if you send \$10.00 with a \$20.00 order we will allow you to select \$21.00 worth of stock, etc.
